Paperwork for Upcoming Middle School and Upper Level Trips

As a reminder, our Upper Level and Middle School students will be traveling in the coming weeks. All students taking these out of town trips must complete and return an Ithaca City School District [Field Trip Medical Information](#) form for each trip. If you have any questions about this form or medication orders, please call Nancy or Kelly in the Health Office. For other questions about these field trips, please contact your child's teachers.

Upper Level 2nd Year Field Trip to the Johnson Art Museum

Our 2nd year Upper Level students will be going to the Johnson Art Museum on Wednesday, April 9th. We will leave EAC at 9:45 and return at 12:15. We still need drivers for this trip. Please contact the office at 277-7335 or admin@eacmsi.org if you can help!

Creative, Talented Parents Needed for Mini Courses

At the beginning of June, standard Montessori curriculum comes to an end and we begin two weeks of exciting mini-courses in the mornings and play rehearsals and other activities in the afternoons. It is a wonderful way to bring our year to a close.

The week of June 9th, Extended Day, Junior Level and Upper Level students will participate. Mini-courses are offered Monday through Friday from 9:30 a.m. – 10:40 a.m. and again from 10:45 a.m. – 11:55 a.m. Extended Day students will participate during the 1st session, 9:30 – 10:40 a.m. only.

We would like to extend an invitation to all parents (and friends) to join us by offering to teach or co-teach a mini-course. Some past courses have included Massage, Rocket Making, Latin American Cooking, Robotics, and Still Life Oil Painting. Please consider teaching a mini-course the week of June 9th. If you would like more information about offering a course, please call the office. More details will be available soon!

Register for Summer Camp at EAC!

Exciting News! Day camp, computer programming, stop-motion animation, band camp and art camps will be available in July for current and graduating EAC students. Visit <http://eacmsi.org/my-eac/summer-camp-2014/> for details and online registration!
