

SAY CHEESE!

For those families new to the Montessori community, I would like to introduce myself. My name is Carol Chaplin and I am the parent of a graduate of EACMSI who is now a sophomore in college. I have been a portrait photographer for over 15 years and have been photographing children at various Montessori schools in the area including EACMSI (since 1999). I look forward to the privilege of photographing your children and will do my best to ensure that they have an enjoyable experience. If you have any questions, do not hesitate to contact me (see contact info below).

If you have a color preference for the background of your child's individual photo, I must receive this form before the day of his/her scheduled individual photograph. If you do not indicate a color choice, your child's individual photo will be taken against a WHITE background. Please do not rely on your child to notify the photographer of your color choice. If you would like your child to decide, please indicate so on the form below. Photos will be available for viewing on my website within 2 weeks. If you prefer that your child's proofs not be posted online, please contact me at 272-4629 or ccphoto20@gmail.com to make other arrangements.

Thank you,
Carol Chaplin
