

Halloween Carnival!

On Tuesday, October 31st Upper Level will host their annual Halloween Carnival for Primary, Extended Day and Junior Level students. Games, face painting, hair dying (with wacky temporary colors), a "haunted" house, and treats will be available.

A suggested donation of \$3 for the carnival supports a charity chosen by the Upper Level students.

As a reminder **we ask that children not wear or bring Halloween costumes or masks to school.** Many young children find these frightening. Thank you for helping to make this a happy experience for the children!

Please submit the permission slip below for hair coloring.

I, _____

agree to allow my child(ren) _____

to have their hair dyed at the Halloween Carnival.
